

Trey Rhodes

1715 University Ave, Bolivar MO, 65613 | 417-658-5985 | treyrhodes0@gmail.com

Objective

I am a confident and motivated college student seeking an internship in a business related to software development.

Education

BACHELORS | CURRENTLY ENROLLED SOPHMORE | SOUTHWEST BAPTIST UNIVERSITY

- Major: Computer Science
- Related coursework: Computer Science 1 & 2 (Java, C#, JavaScript). Computer Science Seminar (Swift, HTML). Foundations of Computer Science (Python). Machine Organization (MIPS). Algorithms and Data Structures (C). Artificial Intelligence (Scheme). Database Management (SQL).

DIPLOMA | MAY 2017 | NEOSHO HIGH SCHOOL

- Related coursework: Tutoring students enrolled in Computer Science

Skills & Abilities

PROBLEM SOLVER

- I have excelled in every form of mathematics and have a natural talent for programming. From the moment I started programming, I have surpassed every expectation. I welcome new problems as I am confident in my ability to solve any issue.

FACILITATOR

- I am a strong role model and I set the attitude for those around me. Others look up to me and try to follow in my footsteps.

CRITICAL THINKER

- I am very good at thinking as a team player. I am also very analytical and can evaluate any problem on my own. If I do not know the answer to something, I will for sure find the answer.

LEADER

- When I am given a problem, I always take charge and lead my team through it. I am a very strong leader, but I know when to back down and listen to my teammates ideas.

ORGANIZED

- Some problems can be large and overwhelming, but I am confident in my ability to break apart any problem and organize it into manageable pieces.

DETERMINED

- I love to see the outcome of events and the results of my work. I do not give up when I start a project or when I am given a task.

Experience

CREW | MCDONALD'S | MAY 2015 – AUGUST 2017

- Contently worked long shifts several times a week with few to no breaks.

COMPUTER SCIENCE TUTOR

- Helped struggling high school students in Java while a senior at Neosho High.

COMPETITIVE PROGRAMMING

- Took part in the Neosho High and Southwest Baptist University competitive programming teams.

MATHEMATICS TUTOR

- Aided students in various levels of math (pre-algebra to calculus) at Southwest Baptist University.

CAMPAIGN GRASSROOTS MANAGER

- Organized and participated in door-knocking schedules as well as fundraisers and publicizing events for Justin Brown in Missouri's 16th Senate district.

MARKETING COMMITTEE FOR UNIVERSITY ACTIVITIES COUNCIL

- Helped advertise social events for Southwest Baptist University.
